

APPRÉCIÉE DEPUIS DES SIÈCLES, TOUJOURS EN FLEURS

Théophraste, élève d'Aristote, les aimait. Le grand philosophe Confucius leur a dédié des poèmes. Les orchidées ont conquis le cœur de nombreuses personnes au cours des siècles. Aujourd'hui, à votre tour d'être conquis. Tandis que les autres orchidées nécessitent la plus grande attention, l'orchidée LEGO® s'épanouit même en l'absence de luminosité, ne nécessite pas beaucoup d'humidité et n'aura sans doute aucun mal à fleurir encore et encore.

Les trois modèles ne peuvent pas être construits simultanément.

DES FLEURS COMME VOUS LES AIMEZ

La plante est composée de six fleurs complètes et de deux petits bourgeons. Vous pouvez couper les tiges de différentes longueurs, faire pivoter les racines et les feuilles pour les garder en bonne santé et disposer la plante de différentes manières en déplaçant ses fleurs au gré de vos envies.

LES MOTS DE L'ÉQUIPE DE DESIGN

Mike conçoit des produits LEGO® depuis plus de 9 ans. Il a aimé créer la forme géométrique du pot de ce modèle. « J'ai adoré créer les orchidées et leur pot bleu clair cannelé. L'expérience de construction est agréable et le résultat est fascinant. Bien que je me sois inspiré de vraies orchidées pour réaliser ce set, je dois admettre que l'orchidée LEGO est beaucoup plus facile à entretenir et sans doute plus facile à vivre que les vraies. »

Michael Psiaki, Design Master

Le centre des fleurs présente des grenouilles LEGO®, un clin d'œil aux grenouilles roses utilisées pour former les fleurs du set LEGO Bonsai.

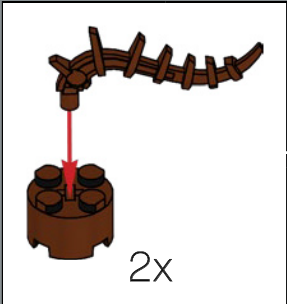

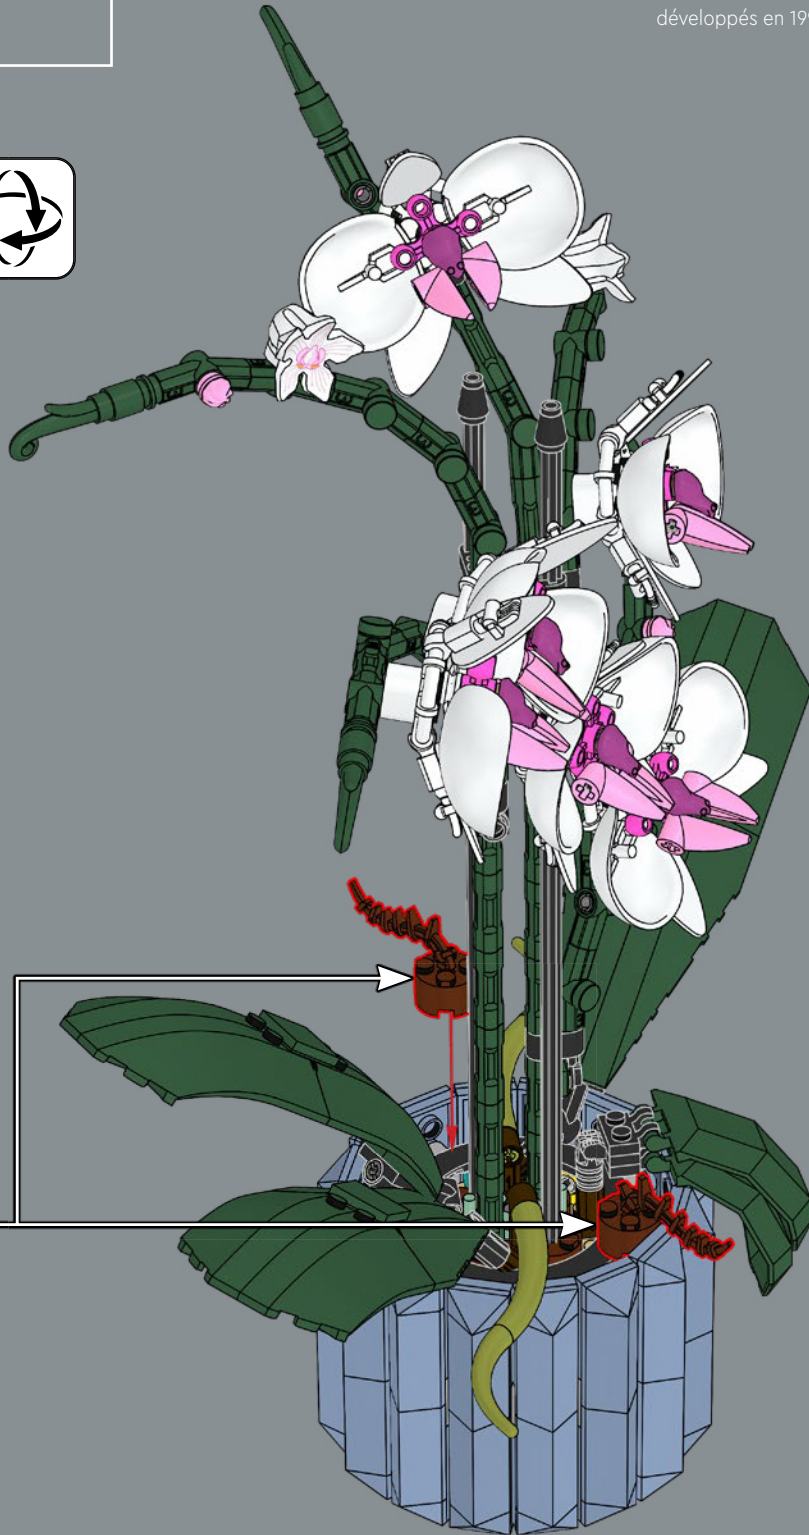

Les sépales de l'orchidée sont réalisés avec des boucliers de minifigures développés en 1995 pour la collection de châteaux LEGO®.

Les orchidées sont souvent mises en pot avec du paillis pour faciliter la circulation de l'air et le drainage et garantir des racines saines. Le paillis est composé de griffes provenant des sets LEGO® NEXO KNIGHTS™.
