LAMBORGHINI

Proporzioni perfette

Se sei stato un adolescente negli anni '80, probabilmente riconoscerai subito la silhouette della Lamborghini Countach. E magari forse hai anche un poster nascosto da qualche parte (oppure l'hai esposto con orgoglio). Con una storia di oltre 50 anni – dal primo prototipo LP500 presentato nel 1971 fino a oggi – la Countach è sempre uscita dagli schemi. La silhouette sorprendentemente bassa, con angoli acuti e portiere a forbice, e l'inconfondibile rombo del motore V 12 hanno consolidato la Countach come un vero e proprio manifesto degli anni '80 e '90, definendo il genere delle auto super sportive del suo tempo. Il suo design innovativo e futuristico rispecchia fedelmente lo spirito del tempo e della cultura pop e, come un'opera d'arte classica, il suo fascino è senza tempo. Grazie alla sua storia, alla sua forma e ai suoi colori vivaci, è stata un'ovvia candidata per la piattaforma LEGO® Icons.

L'evoluzione della Lamborghini Countach

Nel corso dei decenni, la Lamborghini Countach si è evoluta con tecnologie e stili innovativi. Questo modello LEGO® è ispirato alla Lamborghini Countach 5000 Quattrovalvole (1985-1988), con riferimenti ai suoi illustri predecessori.

1971 LP500

Il prototipo presentato al Motor Show di Ginevra è diventato la base di tutte le edizioni future.

1973 COUNTACH LP400

Modificata sulla base dei dati ottenuti con il prototipo, la LP400 è stato il primo modello di produzione Countach.

1978 COUNTACH LP400 S

Il design esterno aggiornato includeva nuove estensioni dei passaruota e un'ala posteriore a forma di V (opzionale).

1983 COUNTACH LP500 S

Mentre il design esterno è rimasto sostanzialmente invariato, gli interni sono stati rinnovati e un motore più potente ha migliorato le prestazioni.

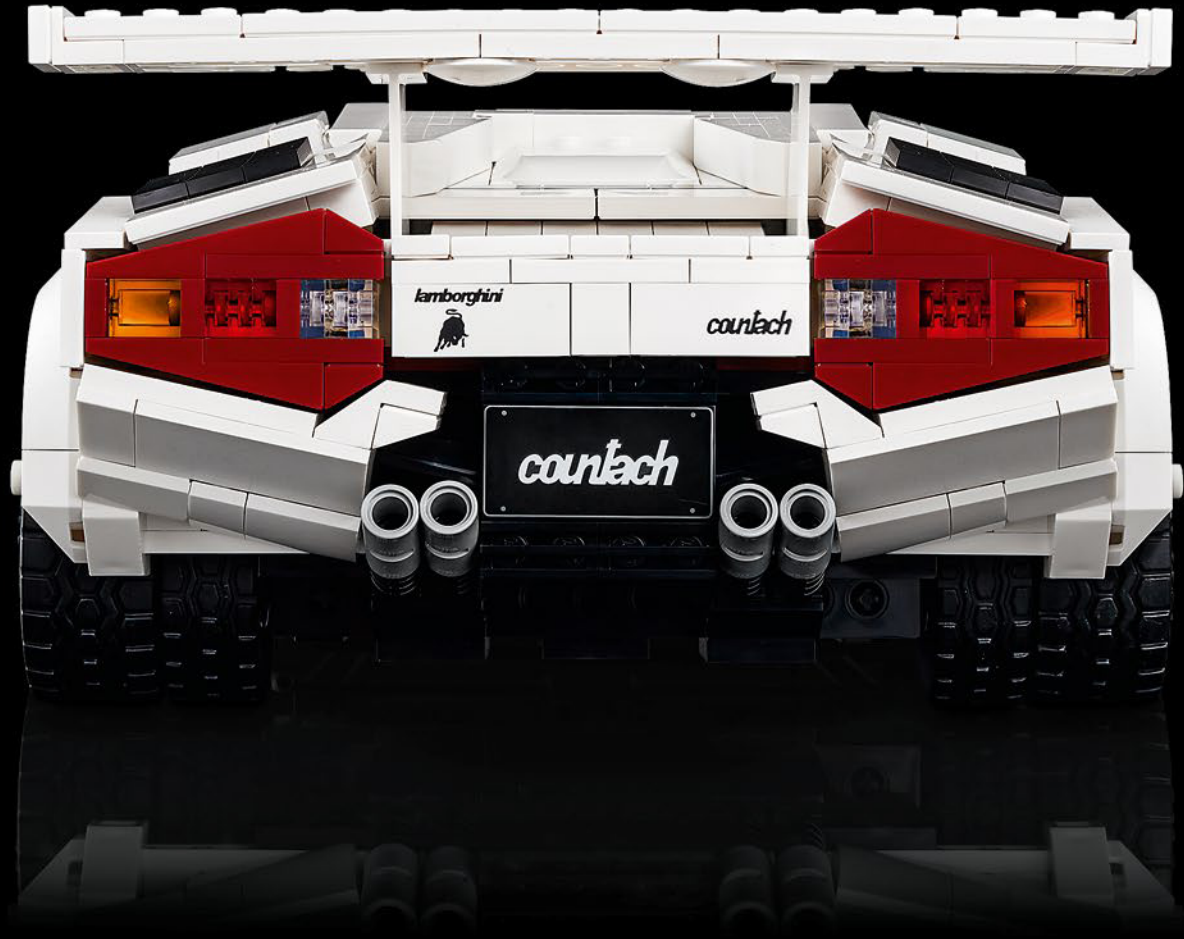

1985 COUNTACH 5000 QUATTROVALVOLE

La Lamborghini Countach più venduta sia negli Stati Uniti sia in Europa e un gioiello ambito dagli appassionati di auto super sportive.

2021 COUNTACH LPI 800-4

Un'edizione limitata ibrida-elettrica lanciata per il cinquantesimo anniversario della Countach.

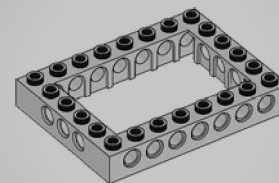

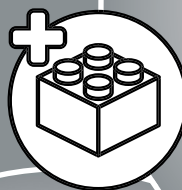

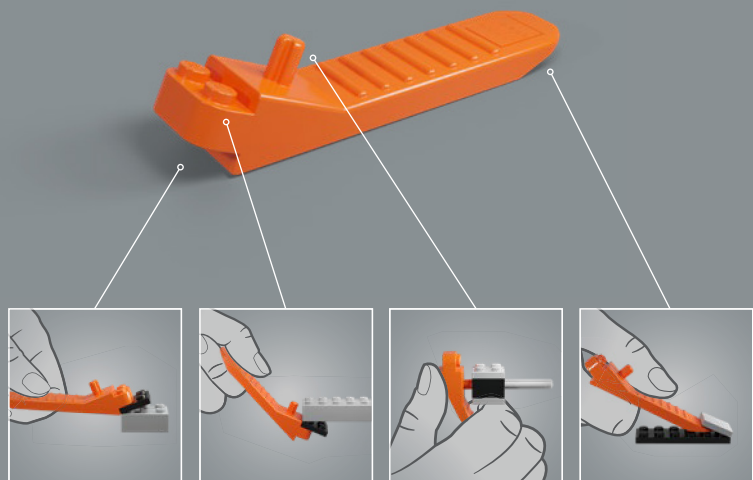

Il Design Team LEGO®

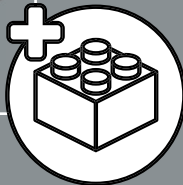

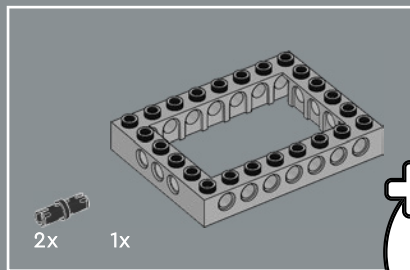

"L'aura magica che avvolge la Lamborghini Countach è ancora presente oggi tra gli appassionati di auto, rendendola un match perfetto per un modello LEGO®. Mentre le linee rette sembrano una forma naturale per gli elementi LEGO, gli angoli poco profondi sono molto più impegnativi da realizzare con il nostro sistema di costruzione. Abbiamo sviluppato diversi nuovi elementi e tecniche di costruzione avanzate per questo modello, inclusi gli iconici cerchi bombati e i passaruota per ricreare gli angoli sottili, le forme e le proporzioni caratteristici di questo futuristico design italiano. È stata un'esperienza esaltante lavorare con Automobili Lamborghini S.p.A. per dare vita a questo modello in formato LEGO, completo di sterzo funzionante, portiere e cofano apribili".

SVEN FRANIC,
LEGO® Senior Model Designer
