The Forest

The Forest

The Forest is a great place to spend your first night and an excellent location for a beginner's shelter. Oak, birch and stone make great building materials, and flowers help make a house a home. Just make sure the Creepers don't find it when night falls!

La forêt

La forêt est un endroit merveilleux pour passer ta première nuit, et un endroit excellent pour construire un abri de débutant. Le chêne, le bouleau et la pierre font d'excellents matériaux de construction et les fleurs rendront ta maison plus accueillante ! Mais assure-toi que les Creepers ne la trouvent pas à la tombée de la nuit !

El bosque

El bosque es un magnífico lugar para pasar tu primera noche y un entorno excelente para construir un refugio. El roble, el abedul y la piedra son fantásticos materiales para construir, mientras que las flores convierten una casa en un hogar. ¡Recuerda asegurarte de que los Creepers no la encuentren cuando caiga la noche!

The Village

The Village

Every Minecraft World has a Village hidden somewhere, constructed from oak, cobblestone and glass. Most of its inhabitants are peaceful folk who yearn for emeralds and are happy to trade for specialist goods. Beware, however, of the scary Zombie Villagers! They're significantly more aggressive unless cured by a caring visitor.

Le village

Chaque monde Minecraft a un village caché quelque part, construit en chêne, en pierre et en verre. La plupart de ses habitants sont des gens paisibles à la recherche d'émeraudes, heureux de faire des échanges. Mais attention aux villageois zombies ! Ils sont beaucoup plus agressifs sauf s'ils sont soignés par un visiteur attentionné.

La aldea

Todos los mundos de Minecraft poseen una aldea oculta en algún lugar, construida con roble, piedra y vidrio. La mayoría de sus habitantes son pacíficos buscadores de esmeraldas y siempre están dispuestos a comerciar a cambio de artículos especiales. ¡Pero cuidado con los Aldeanos Zombi! Son notablemente más agresivos a menos que un atento visitante decida curarlos.
