HYDRAX :: ENERGY BASE™

There stands a remote Hydrax Energy Base™ on Hydrax Tor™ that is still in operation, and the Templars™ and Paladins™ have taken up residence in the surrounding area. It is still pumping at great depths but it produces enough extra Hydrax™ energy to re-energize and empower whatever Néo Shifters™ faction gains control of it, in the short term and the long term - if they use it wisely!

La Hydrax Energy Base™ aislada, pero todavía en funcionamiento se encuentra en Hydrax Tor™, los Templars™ y los Paladins™ se han asentado en los alrededores. Sigue bombeando a gran profundidad, por lo que produce suficiente energía Hydrax para dar suministro a cualquier facción de Néo Shifters™ que la conquiste, a corto plazo y, si se utiliza con inteligencia, también a largo plazo.

L'Hydrax Energy Base™ isolée mais toujours active se trouve sur Hydrax Tor™ et les Templars™ et les Paladins™ se sont installés dans les environs. Elle effectue toujours des opérations de forage dans les profondeurs mais produit suffisamment d'énergie Hydrax™ supplémentaire pour redynamiser et permettre à n'importe quelle faction Néo Shifters™, à court et long termes, de contrôler cette énergie si ces derniers l'utilisent à bon escient!

Auf Hydrax Tor™ gibt es eine abgelegene Hydrax Energy Base™, die noch in Betrieb ist. Die Templars und Paladins haben ihr Lager unweit davon aufgeschlagen. Die Pumpe der Anlage läuft noch und generiert genügend zusätzliche Hydrax™-Energie, um die Neo Shifters™-Gruppe, die die Anlage unter ihre Kontrolle bringt, jetzt und auch in Zukunft mit Energie zu versorgen - sofern diese sparsam genutzt wird!

Op een afgelegen plek op Hydrax Tor™ bevindt zich een Hydrax Energy Base™ die nog steeds wordt gebruikt en de Templars™ en Paladins™ hebben zich in de buurt gevestigd. Er wordt nog steeds op grote diepte gepompt en de basis produceert voldoende extra Hydrax™-energie om de Néo Shifters™ die hier de controle over krijgen van nieuwe energie en krachten te voorzien. Als ze bovendien verstandig met deze energie omspringen, hebben ze genoeg voor lange tijd!

A Hydrax Tor™ si trova una Hydrax Energy Base™ ancora attiva e i Templars™ e i Paladins™ si sono stanziati nell'area circostante. La base effettua estrazioni a grandi profondità ma produce energia Hydrax™ sufficiente a sostenere qualsiasi fazione di Néo Shifters™ che ne assuma il controllo, a breve o lungo termine, se ne viene fatto un uso intelligente!

Em Hydrax Tor™, encontra-se uma central de energia Hydrax Energy Base™ ainda em funcionamento, os Templars™ e Paladins™ montaram os seus acampamentos nas cercanias. Através da extração de recursos das profundezas, produz energia Hydrax™ suficiente para satisfazer as necessidades (a curto e longo prazo) da facção de Néo Shifters™ que dela se apodere — se for utilizada com sensatez!
