# NEO SHIFTERS

TEMPLAR™

6374 RANDIUS Ⓞ KA™

Radius<>Ka emerges from the cold ground, retracting his unscrupulous Telluric Shield, he blows up the gates of the rival's bunkers and unveils its lucrative plunder. Telluric Shield - sprays armor-piercing shrapnel to shred infantry or, alternately, form a single-targeted explosion to destroy heavy vehicles or perform demolition work.

Radius <> surge de la tierra fría desplegando su inescrupuloso Escudo Telúrico, que destruye las puertas de los búnkeres enemigos y revela sus ricos botines. El Escudo Telúrico puede destroz ar ejércitos con su metralleta, también generar grandes explosiones dirigidas para destruir vehículos pesados o provocar demoliciones.

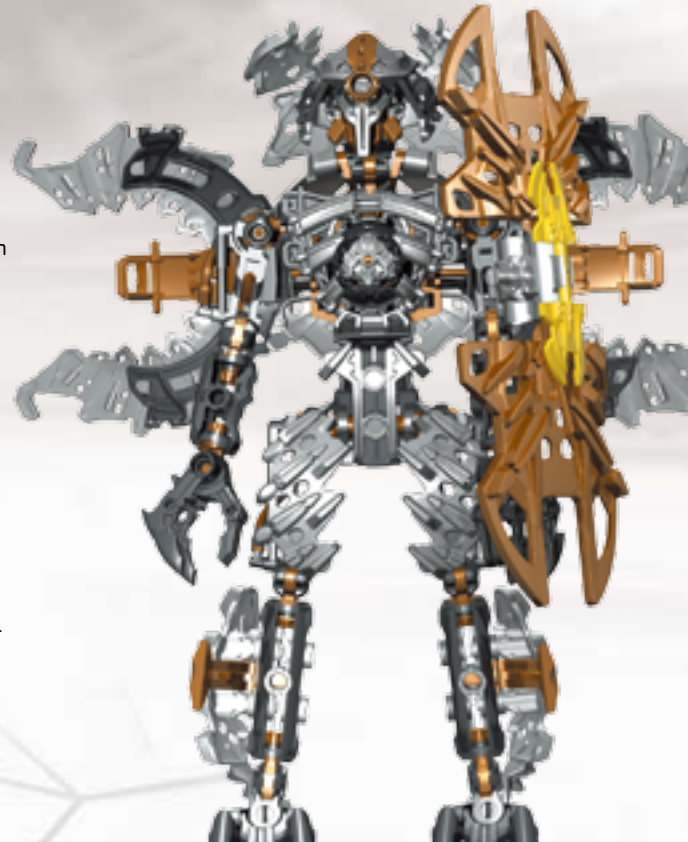

Radius<>Ka surgit du sol froid en retirant son bouclier tellurique sans scrupules, il fait sauter la porte de l'abri fortifié du rival et dévoile son riche butin. Le bouclier tellurique répand des obus à balles perce-armure pour dépecer l'infanterie, ou alors, pour former une explosion à cible unique visant à détruire les véhicules lourds ou à exécuter des travaux de démolition.

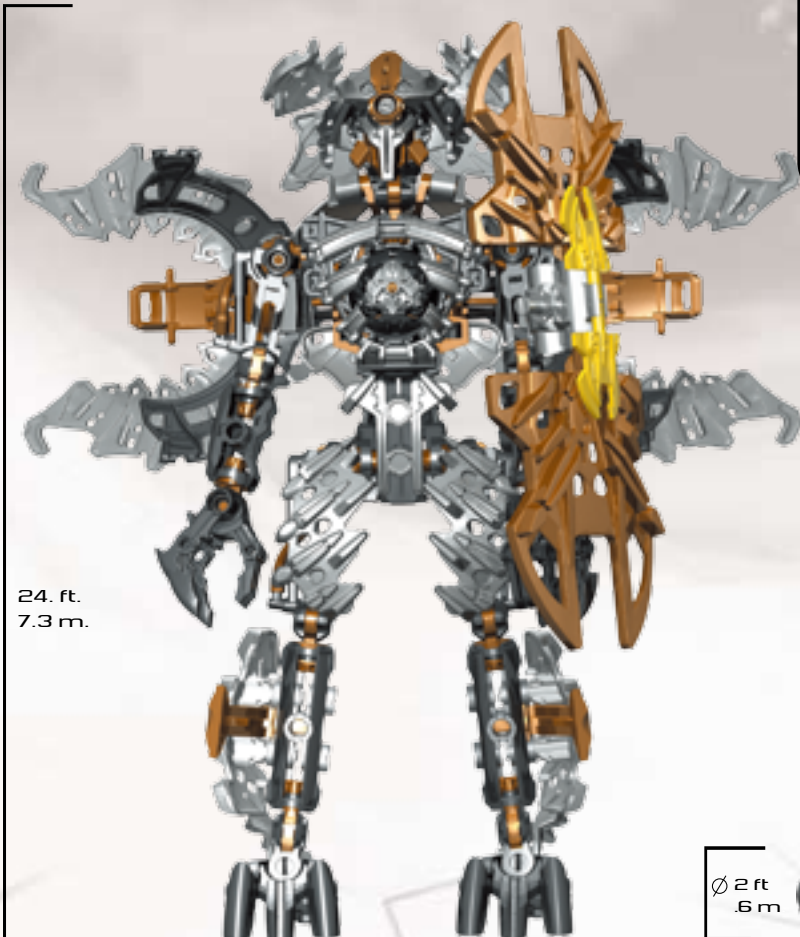

Radius<>Ka kommt aus der kalten Erde, zieht seinen skrupel-losen Tellurischen Schild zurück und sprengt die Tore zum Bunker seines Rivalen. Dort findet er reiche Beute. Tellurischer Schild - sprüht panzerbrechendes Schrapnell gegen Infanterie oder erzeugt eine Einzelziel-Explosion, um schwere Fahrzeuge zu vernichten oder etwas zu demolieren.

"Radius<>Ka duikt op uit het niets en vanachter zijn niet-sontziende Telluric Shield blaast hij de poorten op van de schuilplaatsen van zijn rivaal zodat de kostbare buit voor het grijpen ligt. Telluric Shield - braakt pantserdoorborende kartetsgranaten uit om de oprukkende infanterie te vermorzelen of een geconcentreerde explosie te veroorzaken die zware voertuigen vernietigt of om ander vernielend werk te doen.

"Radius<>Ka emerge dal suolo ghiacciato ritraendo il suo corrotto Scudo Tellurico, fa esplodere i cancelli del bunker del rivale e ne scopre il ricco bottino. Scudo Tellurico - spara dei proiettili perforanti per massacrare la fanteria o, in alternativa, provoca una singola esplosione mirata per distruggere veicoli pesanti o per lavoro di demolizione"

"Radius<>Ka emerge do chão frio, encolhendo o seu Escudo Telúrico inescrupuloso, destrói os portões dos bunkers do rival e apresenta o seu lucrativo espólio. O Escudo Telúrico - lança granadas defensivas para a infantaria destruída ou, alternativamente, provoca uma explosão de alvo único para destruir veículos pesados ou realizar trabalho de demolição."
